## Message from FCCC President

**Jerry Britt**

The fourth annual Historic Racing Legends Beach / Road Course Parade will feature racing legends through the heart of Ponce Inlet on Feb.14.

The parade starts at 9:30 a.m. and follows the 4.1 mile course that preceded Daytona International Speedway. Spectators should park at the Toronita parking lot on South Atlantic Ave. Votran will provide free shuttle service to and from the north and south turn beach ramps from 8 a.m. to 12:30 p.m.

The parade features vintage race cars and former beach racers on the course that runs along Atlantic Ave. and the beach. The course is the historic site of the Grand National Race, which ran from 1948 to 1958 when it was relocated to Daytona International Speedway.

Following the parade, Racing's North Turn restaurant will host driver autograph sessions and interviews..

January, 2015

First of all, I would like to thank Nellie Shepherd for standing in for me while John and I were out of town. Your help is greatly appreciated.

**I would like to remind everyone to be sure to use the Sign-In Sheet upon arrival.**

Larry and Trish Parker, Darrell and Susan Ogg, Mike and Sarah Julien were all presented with their New Member Packages at the business meeting. Vincent Antone and Patti Sarinana also received their New Member Package. We look forward to getting to know all these new members. We had several prospective guests, Karl Bradley and Edith Campins, Peter and Karen Serraios also attended a social and second meeting. They now are eligible to be new members.

I also want to thank Sue Splane and Lin Britt for the outstanding job they have done this past year on club shirts and sunshine duties.

Also, please contact me if you ever hear of any of our members being “under the weather”. Often times I do not hear that someone is sick or is having surgery until months later. So it would be appreciated if members could let me know any news so that Lin Britt can send out cards.

If anyone needs a new mouse pad (\$5.00) or a new car decal (\$3.00), they can be purchased at each month’s business meeting.

The updated list of all Officers, Board & Committee Members are on the website under the member’s category only.

We had \_\_ people eat dinner and approximately \_\_ people in attendance at the business meeting. No information at this time.

Liz Binkley won the 50/50 Raffle drawing.

Starting to get busy in January. Ten members attended the Greyhound Benefit all makes show at the Daytona flea market. Really nice day for January, Nearly 150 cars (all makes). Thank you Dave Divitio for bringing your wonderful greyhounds to the show. I traveled to Lakeland, Florida to see the NCRS judging and visit with Greg and Sue Norton (Greg was judging). The first time I had seen this level of judging. Several members attended the Rolex, 24 hour race at the Daytona Speedway. Very nice weather (for January). Again this year there was a Corvette Corral. There was a celebrity car judging and Vic Natiello won an autographed certificate signed by Antonio Garcia, driver of Corvette #3. Also in attendance was championship driver, Ron Fellows who also signed Vic's Certificate. Congratulations Vic!!! There will be a number of events in February. Watch your calendar!!

We are off to a good start socially for our club. There were 36 attendees at the last DAD for hibachi and lots of cake. The food was plenty and delicious. It was great seeing new members with us. Thanks Deb for making a cake. Let me know if you would like to bring a cake to DAD.

At the next meeting, please volunteer to bring in some lovely desserts for Valentine's Day.

I will also bring up a few suggestions for some fun activities we can schedule soon and see if there is interest in these ideas.

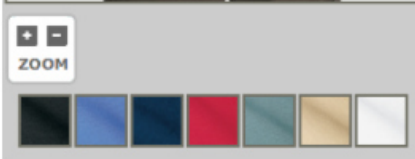

Looking forward to seeing you on Monday.

Marsha

Our club was founded in 1998 by a small group of enthusiasts who wanted to share their enjoyment of Corvettes with like-minded people. Over the years the club has grown to what it is today.

The club sponsors a wide variety of activities during the year. In addition to our monthly meetings, we try to schedule at least one club event each month including car cruises to Corvette-related shows and events. We hold annual holiday parties and an annual picnic. The highlight of our year, however, is our FCCC Corvette Car Show, "Corvettes at the Beach", where we regularly attract over 200 show car Corvettes from all years, 1953 to present.
